Kelly Jo Schultz

Dear Kelly Jo:

It is with great pleasure I write you this letter to inform you that you have been selected by the faculty of the Department of Physical Education, Health and Sport as the Outstanding Sport Management Major for 2008-09. Your name has been submitted to AAHPERD and you will receive a certificate from them as an outstanding major of the year. Although the department is unable to support your travel to AAHPERD, please let me know if you need help with details or information if you decide to attend.

On behalf of the faculty I congratulate you on all of your accomplishments. I also want to thank you for all that you do for BSU and the community. Your commitment to learning and service is truly outstanding.

As you work towards the completion of your degree, do not hesitate to contact me or other members of our department for help and support.

Best of luck to you as you pursue your professional and personal goals.

Sincerely,

Donna K. Palivec, Ed. D.
