Dear Tim,

Kelly Schultz worked under my direct supervision at RP Broadcasting for a period of three years. During that period, I had the great pleasure of seeing her work as a sideline reporter and host for our broadcasts of Bemidji State University football and hockey games, as well as a sales representative. Kelly no longer works full-time at RP Broadcasting, as she is devoting her time to being a full-time student.

Kelly is a hard-working self-starter who invariably understands exactly what a project is all about from the outset, and how to get it done quickly and effectively.

Kelly is a resourceful, creative, and solution-oriented person who was frequently able to come up with new and innovative approaches to her assigned projects.

On the interpersonal side, Kelly gets along extremely well with other employees. She is highly respected, as both a person and a professional, by colleagues, clients, and now by other students.

Two years ago when Kelly announced her resignation to take go back to school full-time, we were saddened to see her leave, although we wished her the greatest success in her new undertaking.

In closing, as detailed above, based on my experience working with her, I can unreservedly recommend Kelly Schultz to you for the Minnesota Twins Broadcast Internship. If you would like further elaboration, feel free to call me at (218) 751-7777.

Sincerely,
